

SAFETY DATA SHEET

Date : 08.08.02

Page 1/3

01. Substance / Preparation / Company-NameName of the product : Refined Bleached Deodorized PALM
KERNEL OILSupplier : SOYA HELLAS S.A. 46-48 Voukourestiou
str. 106 73 ATHENS-GREECE
Tel. +30103640301-Fax +3010 3631033**02. Composition / Information about the ingredients**

Substance / preparation : substance

Chemical characterisation : triglycerid

03. Possible dangers

Description of the dangers : no particular dangers

04. First Aid

Measures : none

05. Fire-fightingSuitable extinguishing agents : foam, CO₂, powder, sand
(class B,C)For safety reasons unsuitable chemical
extinguishing agent : water

Special protective equipment : no special measures necessary

Additional information : none

06. Accidental release measures

Personal protective measures : increased danger to slip

Environmental protective measures : no spilling

Procedures for cleaning / removal : remove with adsorptive material

Additional information : none

SAFETY DATA SHEET

Date : 08.08.02

Page 2/3

07. Handling and storage

Handling : //

Storage : room temperature

Storage class : not determined

08. Exposure controls / Personal equipment

Personal protective equipment : not applicable

Respiratory protection : not applicable

Hand protection : not applicable

Eye protection : not applicable

Body protection : not applicable

General protective measures : not applicable

Hygienic measures : not applicable

09. Physical and chemical properties

Appearance : solid below 27°C

Form

colour : light yellow

odour : neutral, typical

Safety relevant data

pH when delivered : not applicable

Melting point : 25-28 °C

Danger of explosion : none

Vapour pressure : //

Density (39°C) : 0,91 g / ml

Solubility

in water : insoluble

in lipophylic solvents : unlimited

Additional information : none

SAFETY DATA SHEET

Date : 08.08.02

Page 3/3

10. Stability and reactivity

Conditions to be avoided : no special information

Substances to be avoided : not known

11. Toxicological informationtest
acute toxicity : not applicable**12. Ecological information**

General : biologic decomposable

Conditions in the waste water
treatment plant : according to local limits**13. Hints for disposal**Product : can be burned together with domestic
waste according to the local rules**14. Transportation**

General : no dangerous material

15. Regulations

Labeling according danger symbols : none

16. Additional informationAdditional information : these information are no contractual
assurance of product properties. They
correspond with the actual knowledge
at the date of issue
